Years active as a Co-op Owner: 8-9

1. Why would you like to commit to serve on the Board?

As a current board member, I want to continue another term in my support of an organization that promotes healthy lifestyle choices and sustainability of the earth as it serves and brings enrichment to the local community.

2. What is your interest in the future of the Co-op beyond being an Owner?

I envision GreenTree as poised to grow and expand its presence in the Mt Pleasant community and beyond. Many opportunities lie ahead in our expanded store space to increase our member/ownership, grow sales, offer healthy lifestyle choices, promote local entrepreneurship, educational offerings and event involvement. Also, GreenTree offers various job opportunities as it continues to grow and evolve, bringing awareness of the value of having a member owned Co-op in our community.

3. What skills and experiences would make you a valuable Board Candidate?

Lengthy accounting career in Mt Pleasant. Education: CMU-Accounting/Finance. A strong supporter of shopping local, understand the value and enrichment the Co-op brings to the community. In serving last 3 years on the Board, have attained a heightened passion to offer my time and skills to GreenTree's future growth and opportunities.
