**Years active as a Co-op Owner:** 3 and 4

### 1. Previous Board/Volunteer Experience?

Current national musician association planning committee member; pending musician association membership director (October); former HOA President/Director.

### 2. Why would you like to commit to serve on the Board?

Co-ops provide community among people, products, producers, lifestyles, and economic development. I first learned this when I lived in the Keweenaw. My GreenTree support began with ownership and moved on to membership and regular patronage. A co-op isn't just an upscale grocery store; it's a resource of health and wellness for me personally as well as the surrounding.

### 3. What is your interest in the future of the Co-op beyond being an Owner?

GreenTree has a broad range of products already on the shelf, some of which are Michigan-sourced. I would like GreenTree to become the mid-Michigan emporium for quality Michigan-made products; where suppliers ask to have their products on the shelves and buyers come looking for “Made in Michigan” gems.

#### **4. What specific skills and experience do you bring?**

As a certified paralegal, I supported legal professionals, primarily litigation attorneys, in evidence collection, review, summarization, and presentation in arbitration and the courts. I am a critical thinker, best at distilling and organizing data and documents, filtering out the noise, communicating concisely, and making data-driven decisions.
